MEDICINES DISTRIBUTION
NEVER STOPS,
AND IT HAPPENS SAFELY
WITHOUT QUEUING.

- 1 NO QUEUE, NO WAITING TIME
- 2 A DEDICATED APP FOR NOTIFYING PATIENTS
- 3 REDUCED UNNECESSARY INTERACTIONS

It does not matter if the pharmacy is closed, because with Pharmaself24 the dispensing of drugs continues without interruption. Patients receive a notification when the medicines are ready and at that point they can retrieve them whenever they want without queuing and respecting the distance.

SAVE TIME IN THE
DISPENSING PROCESS,
IN ORDER TO HAVE
MORE TIME FOR
CONSULTING PATIENTS.

- 1 EFFICIENT DRUG DISPENSING
- 2 FREE UP STAFF'S TIME
- 3 MORE TIME FOR HIGH VALUE JOBS AND SERVICES

The advantage of having a distributor that takes care of the dispensing of drugs is that the staff has more time to dedicate themselves to advice and support patients. More time for servicing allows you to create a strong harmony with patients, establish a relationship of trust, loyalty and retain them over time.

A TECHNOLOGY CLOSE
TO THE NEEDS OF PATIENTS
ALLOWING YOU TO
SERVICING NEW ONES

- 1 A TEXT MESSAGE INFORMS PATIENT WHEN MEDICINES ARE READY FOR COLLECTION
- 2 NO UNNECESSARY TRIPS TO THE PHARMACY
- 3 GET MEDICINE WHEN IT'S MOST CONVENIENT

Convenience is more and more important to patients, so any time saving solution is extremely important and make a difference to them. The Pharmaself24 perfectly intercepts the demands of today's times, because the Pharmaself24 adapts to the times of patients and not vice versa.

TRANSFORM PHARMACY
WINDOW IN AN
OPPORTUNITY FOR
PROVIDING SERVICE
TO PATIENTS

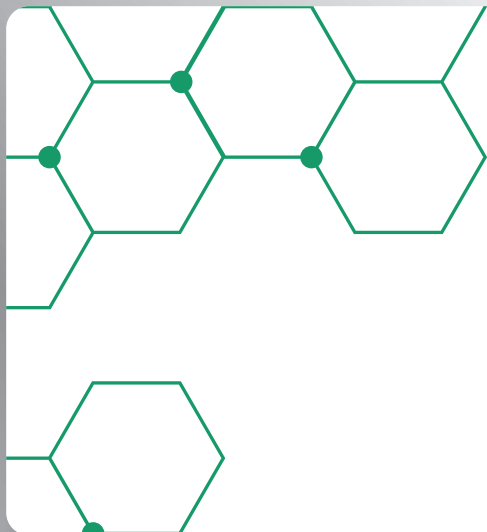

The window is an important part of the pharmacy, but it is not always exploited adequately. The Pharmaself24 can transform the window in a key source of business: in just 88 cm. you can create a 24/7 collection of prescription for your patients.

- COMPATIBLE WITH ANY PHARMACY MANAGEMENT SOFTWARE
- READY FOR CREDIT CARD
- MADE IN ITALY ITALIAN DESIGN

HOW IT WORKS

- 1 SCANNING
THE PHARMACIST SCANS THE BARCODE ON THE BAG
- 2 STORING
THE PHARMACIST LOADS THE BAG INTO THE PHARMASELF24 VENDING MACHINE
- 3 NOTIFICATION
PHARMASELF24 SENDS THE PATIENT A UNIQUE PIN CODE
- 4 PICK-UP
THE CUSTOMER ENTERS THE CODE IN THE DISPENSER AND COLLECTS HIS MEDICINES 24 HOURS A DAY
